COUNCIL TO HOLD SPECIAL SESSION

Will Pass To-Night on Minor Amendment to Bond Issue Ordinance.

President R. L. Peters, of the Common Council, issued a call yesterday afternoon for a meeting of the lower branch at 8 o'clock to-night for the purpose of considering an ordinance proposing an amendment to the ordinance under which the city recently issued \$1,500,000 in bonds.

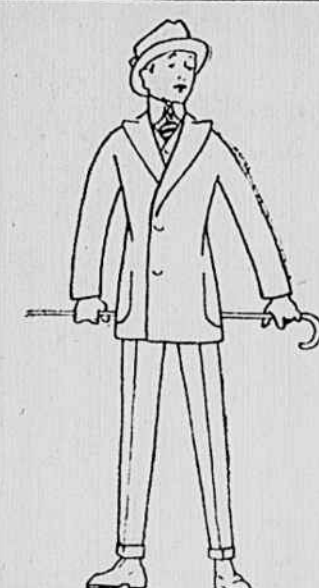

The change is made necessary by objections raised by attorneys for the Boston bankers, who took over the entire bond issue, to the provision of the ordinance which appropriates \$120,000 of the proceeds of the bond sale for the construction of the First Regiment Armory. It appears that the appropriation of municipal moneys for military purposes has been held to be invalid in several States, and in order to eliminate all possibility of a contest on this score in connection with the Richmond bond issue, the city is requested to strike this item from the ordinance.

In accordance with this request an amendment has been prepared which transfers the armory appropriation to the account of sewers. The change is minor and will in no wise affect provisions that have already been made for either the armory or for sewers.

The amendment is regarded as urgent, and the Common Council has been called in special session for to-night to dispose of it.

Immediately following the session of the Common Council the Finance Committee will hold a short business meeting. A call issued early in the day yesterday by President W. H. Adams, of the Board of Aldermen, for a meeting at 7:45 o'clock on Monday night, was later in the afternoon withdrawn. It was the purpose of the Board to consider the ordinance recently passed by the Common Council relating to another minor change in the bond issue requirements, but the consideration of the matter will be deferred until the regular meeting of the Board a week from Tuesday.

It was pointed out by City Auditor Crenshaw yesterday that the objections raised by the attorneys for the Boston bankers who took over the bond issue are not real, since the city is expressly given the right by its charter to make appropriations for military purposes. The amendment will, nevertheless, be asked for as a precautionary measure.

NEWS OF SOUTH RICHMOND

RETAINS OLD EMPLOYEE

Elia Whifrey is transferred by Southern to Southside Station.

In appreciation of her long and faithful service with the company, Elia Whifrey, formerly the colored waitress at the Fourteenth Street Station, has been given a position by the Southern Railway Company at the station in South Richmond. Passengers were pleased to find her yesterday distributing packages and answering questions as usual, and she seemed at home in her new quarters.

"Elia," as she is familiarly known to thousands of patrons of the road, has been with the company more than twenty-one years. She went to work in the station when she was a little girl, and is one of the road's oldest employees. The patrons asked that she be transferred to the Southside station when the Southern moved its terminals to the Main Street Station.

Elia's last New Officers.

Officers for the year were installed at a meeting of Manchester Lodge, No. 84, Benevolent and Protective Order of Elks, last night in Elia's home. A musical program followed the ceremonies, after which refreshments were served. The officers are John L. Morris, exalted ruler; R. H. Eastman, exalted leader; J. C. Nunnally, esteemed loyal knight; J. L. Heimer, esteemed lecturer; and R. D. Peoples, secretary. W. J. Fisher, of the Elks, acted as master of ceremonies.

Officers for the year were installed at a meeting of Manchester Lodge, No. 84, Benevolent and Protective Order of Elks, last night in Elia's home.

A. A. Adkins, of Woodland Heights, is improving from an attack of illness. An enjoyable party was given by Mr. and Mrs. Charles A. Watkins at Street, Woodland Heights, in honor of the fifth birthday of their daughter, Clara Louise. Many young people were present and enjoyed various games.

Mrs. J. A. Davidson, of Farnville, who has been visiting Mrs. George Paul, has returned home.

Mr. B. Anderson, member of the South Richmond Board of Health, who was ill last week, was able to be out yesterday.

Judge Ernest H. Wells will to-day occupy again his office in the County Court, Part II, which has been thoroughly renovated and repaired to the courtroom have been nearly completed.

SOUTHERNERS RECOMMENDED

McDonald and McElie Urged for Construction Work of Railway in Alaska.

Washington, April 2.—The government railway in Alaska may be built by a Southern Railway Company, according to a report received here today. The Tennessee delegation headed by Senator Lea, to-day called on the President for a letter to the construction work of the Alaska Railway. He is chief engineer of the Nashville and Chattanooga Railway. The President promised to consider the recommendation.

Senator Lea, for many years connected with the Southern Railway, is another Southern candidate for the place. He has the backing of South Carolina, North Carolina and Georgia Democrats.

Secretary Lane is understood to prefer that the special master of the corps of engineers, somewhat as in the case of the Panama Canal.

ROLLING STOCK TAXES CERTIFIED

Act of 1912 Held Unconstitutional, and Home Offices Get 1913 Taxes.

NEW ACT APPLIES THIS YEAR

Tax Commission May Segregate This Revenue to State Alone.

The rolling stock act of 1912 having been held unconstitutional, Clerk H. T. Wilson, of the State Corporation Commission, will to-day certify to the various cities in which are located the principal offices of steam railroad lines the assessment made by the State Corporation Commission on the rolling stock of steam railroads as of June 29, 1912. The tax will be levied in each locality at the local rates. Mr. Wilson explained that no penalty could apply for nonpayment, as the assessment had just been certified for the year 1913, the delay having been due to the litigation over the constitutionality of the act.

This will probably be the last time that the rolling stock assessment is certified to the cities in which the home offices are located, the recent session of the General Assembly having passed an act, which, it is believed, will meet the test of the courts, providing for the distribution of this assessment to the cities and counties through which the railroads run, giving no preference to the home office locations. Even this act, it is believed, will only apply for one year, as it is confidently expected that the special session of the General Assembly in January, on advice of the Tax Commission, will provide a new plan of taxation under which the tax on rolling stock will be segregated as a subject for taxation to the State alone. The act recently adopted will provide for assessments at county rates, rather than at city rates, thus largely reducing the total amount the railroads must pay.

ASSESSMENTS CERTIFIED

Mr. Wilson will certify the following assessments on which taxes will be collected for 1913:
Atlantic Coast Line Railroad Company, principal office in this State, Petersburg; rolling stock valued at \$944,161.
